## **ABRIEF PROFILE**

The Kohima Science College, Jotsoma, is an acclaimed institute for Higher Secondary and Undergraduate science education in the State. Set up in 1961, it has been engaged in fostering the spirit of enquiry and nurturing a knowledge ecology that strengthens the knowledge base of the students to propel them to higher studies and other technical arenas. In this globalized world where we are witnessing the integration of global systems, human and knowledge resources, and technological tools, we at Kohima Science College realize that ignoring these signposts would make us irrelevant. Therefore, we aspire to engage in improving the standards of science education in the State and generate knowledge that is value-based. Kohima Science College has been successively affiliated to Guwahati University, North-Eastern Hill University and Nagaland Central University.

### **OUR VISION**

Kohima Science College is anchored in the concept of science education. It was established in view of the growing aspirations of the Naga people for science education in the State through the initiative of some prominent citizens of Nagaland. This small group of men felt the need to bring about positive changes in our land which was lacking in many aspects. To attain this they felt that science education be given priority as it would usher in technological development to augment the socio-economic condition of the people. The institute aims at initiating science education and to impress upon the students the need and importance of research. In this regard we realize that the college has a vast scope and role. We believe that the students are our best assets and we try our best to impart education to them worthy of emulation and relevant for the time and the times to come.

## **A brief Profile** *(continued)*

### **OUR MISSION**

- ◆ *To offer an inter-disciplinary undergraduate program that will lead to multi-dimensional growth for students and also open up career opportunities in a wide spectrum of areas.*
- ◆ *To help hone the skills of the students so that they use the knowledge base and attitude-set acquired as responsible global citizens.*
- ◆ *To inculcate in the students the importance of reflective and analytical thinking.*
- ◆ *To nurture standards for excellence, integrity, and fairness.*
- ◆ *To help them become effective agents of social change.*

It is our firm belief that these goals can become a reality only through hard work and industry as is reflected in our motto *Omnia Vincit Labor* labour overcomes everything.

### **LOCATION**

The college campus is located on the top of Jotsoma village in the Barail range. It is 8 kms away from the heart of Kohima town, 65 kms from the Dimapur Phizo airport, and 74 kms from the Dimapur railway station. At an altitude of 1671 meters, the campus is nestled among the serene and evergreen Japanese cedars and the lovely cherries. It commands a panoramic view of Kohima town on the east, while *Mt. Pulie Badze* and the other undulating hills present a lush green tropical ambience on the south-west. The natural serenity of the campus and the perennial water-bodies offer a calm effect which makes the campus conducive for study.

## **ACADEMICS-I: BACHELOR OF SCIENCE**

This is a three-year programme of the Nagaland University which leads to the degree of Bachelor of Science (B.Sc.) A student has the option of taking his/her BSc degree either with Honours or as a General candidate. Currently the college offers Honours in 9 (Nine) subjects. The B.Sc. programme is a good launching pad for such students who wish to take an M.Sc. and/or a PhD degree. This course is also ideally suited for students who want to take up career opportunities in civil/administrative services.

## QUALITY CONTROL

The Principal chairs the Internal Quality Assurance Cell (**IQAC**) which comprises the Vice Principal, Heads of Departments and other members. The Cell plans and monitors measures to improve the quality of education. Some broad strategies of the cell are as follows.

### Internal Assessment

Continuous assessment of the students is done by the college through the Weekly Test, assignments, and projects. Three weekly tests are conducted in each subject for all the classes during an academic year. Failure to pass in at least two of these will debar a student from taking the selection examination. The Weekly Test accounts for 30% and the selection examination marks for the remaining 70%.

Honours students are internally assessed by their performance in assignments and seminars. Each of them have to present at least three seminars during the three-year degree course.

### Mentoring Cells

Each teacher is assigned a number of students to form a Mentoring Cell. The teacher is charged with the responsibility to monitor the progress of his/her ward.

### Attendance

A student is required to have at least 75% (NU requirement) or 80% (NBSE requirement) to be able to take the final NBSE or University Examinations. Attendance is strictly monitored by the college administration and a student is debarred from appearing the said examinations if the required norm is not attained. Also proxy attendance is a serious and punishable offence.

## GENERAL NORMS

- i. The **uniform** is compulsory for every student. The blazer & tie is worn on Friday and on any important occasion of the college. The T-shirt is worn on Tuesday. Students are expected to respect the college uniform and the crest, and also wear the uniform with matching/appropriate trousers/skirt and shoes. The college discourages wearing blazer and/or tie with slippers or floaters, and low-cut trousers/jeans.
- ii. Each student must have a college Identity Card and Library Cards.
- iii. Smoking and use of intoxicants are strictly forbidden in the college campus, and in the college buses.
- iv. Communal and tribal harmony is to be preserved and promoted in the college.
- v. Transfer Certificate is issued after the student applies and surrenders the student Identity Card. However, students wishing to take a TC during the year shall have to apply along with the following:
  - a Student Identity Card
  - b Laboratory Clearance and Attendance Certificate from the HOD.
  - c Clearance Certificate from:
    - i. Library
    - ii. Hostel Superintendent (For Boarders)
    - iii. NCC Officer (For Cadets)

## **KNOWLEDGE AND LEARNING RESOURCES**

### **Library**

The library has a repository of 14636 books, referred scientific journals, national and international magazines. It has a host of local and national newspapers. It also has past exam question papers and project reports. The library has ten computers connected with 2Mbps Broadband dedicated line. The Reading Room is attached to the library.

### **Book Bank**

The Book Bank has 4957 text books on different subjects. Students can borrow text books on long term basis through this scheme in addition to the normal library services.

### **LAN, Broadband and college website**

These facilities have been sponsored by the Children of one of the founding fathers, Lt. Dr. Neilhouzhü Kire. All academic departments, library and college office are networked by Local Area Network. Broadband connection of 2MBPs dedicated line is fed into the LAN through a proxy server. The entire academic campus is WiFi enabled through five Access points. Students can surf the internet through ten PCs in Library and 30 Pcs from the computer laboratory.

The official website of the college: *kjsc-ngl.nic.in* is being upgraded. The new site is being constructed and will be rechristened with a new domain name *kscj.ac.in*.

### **Institutional Biotech Hub**

Funded by the Department of Biotechnology, India, the college has set up a Plant Tissue Culture Laboratory in order to provide training primarily to students of the college.

### **High-end Teaching Aids**

All the nine honours classes are fitted with LAN linked-interactive smartboards to enhance teaching-learning experience. Other classrooms will also be digitized soon.

## **KNOWLEDGE AND LEARNING RESOURCES**

### **“Earn While you learn” Schemes: Entrepreneurship**

A mini *Printing Press* unit has been established to undertake minor printing works such as printing of bulletins, programme sheets, booklets, brochures, etc. Also, interested students may opt for *Mushroom spawn production and cultivation* as a part of this scheme. Students participating in various levels of the said activities will be paid from the proceeds of sales, charges, etc.

### **EDUSAT (Education Satellite)**

The Transmission Hub of EDUSAT, Nagaland is located at Kohima Science College and is connected to 50 Satellite Interactive Terminals (SITs) located in various parts of the State. It is funded by the Indian Space Research Organization (ISRO).

The Principal, Kohima Science College is the Nodal Officer. The Hub Engineers are Er Anirbam Chakraborty and Er Ketou Linyu.

### **Tele-Education**

Sponsored by Ministry of IT, Government of India, the college has a virtual classroom connected through WiMAX. Renowned teachers of the country deliver lectures meant to prepare students for Board Exams and Entrance Tests into IITs and other technical studies.

### **Certificate courses on computer application**

In association with NIIT, Kohima, career oriented courses in computer application are offered at a nominal rate. Students, especially those without honours subject may utilize the opportunity to their advantage in terms of preparation for employment after graduation.

## **AMENITIES**

### **Accomodation**

Kohima Science College has three hostels for boys (170 seats) and one for girls (78 seats). 110 capacity Boys Hostel is under construction. The hostels are centrally located with easy access to all day-to-day requirements including the Primary Health Centre, Bank (with ATM facility) and the Post Office. Each hostel has a hall, a refectory, TV and single or shared accommodation. Apart from education students are also exposed to sports and other cultural and religious activities. Seat allotment is strictly on merit basis and is monitored by a committee.

Each hostel has a Superintendent and a Prefect. The Prefect assists the Superintendent for the smooth administration of the hostel. Each hostel also has a Mess Committee which is headed by a Mess Assistant. It ensures that the food is clean, hygienic, of good quality, and on time. The kitchen is manned by experienced cooks.

All the boarders are expected to be actively involved in the smooth running of the hostel and help to maintain discipline and a healthy atmosphere.

### **Names of the Hostels and Superintendents**

1. Leone Hostel (for Girls) - Mrs M Amenla Lkr
2. Lake View Hostel (for Boys) - Mr Vesa Hiese
3. New Boys' Hostel (for Boys) - Mr Temjenwabang
4. Peak Hostel (for Boys) - Mr. Rokovikho Hesieli

### **Transportation**

The college has four buses pressed into regular bus service to commute students and staff to and from the town. A nominal fee is charged for this service.

## **AMENITIES** *(continued)*

This transport service is also available for other activities as and when required. A pool vehicle is also available.

### **Health Centre, Bank, Post Office, etc**

The above mentioned facilities are all centrally located in the college campus and are therefore easily accessible to all.

### **Students Day Home**

The spacious auditorium is the Students Day Home. Besides indoor games the auditorium is also used for literary and cultural functions. The Girls Common Room is attached to the Auditorium.

### **Games and Sports**

The games and sports facilities in the campus not only help the students train physically but also help them develop a sporting spirit. The college has a football field, a basket ball court, and a large auditorium which also doubles as the indoor stadium.

### **Value Addition**

- Free Tutorial
- Intensive Coaching for JEE
- Tele-Education
- Founding Fathers Meritorious Award
- Dr. S.K. Dey Literary Award
- Workshops/Seminars (for B.Sc. only)
- Field Trips (for B.Sc. only)

## **EXTRA-CURRICULAR & EXTENSION ACTIVITIES**

### **Kohima Science College Students Union**

Every student of the college is automatically a member of the KSCSU. The Principal is the President of the union. The General Secretary and the other members of the executive are elected through the **students general election**. The union looks after the interests and welfare of the students and assists the college administration in matters relating to discipline and decorum. It also organizes various co-curricular and extra-curricular activities and helps in the publication of the college magazine *Illume*. Our students have been regularly winning prizes in many district- and State-level competitions conducted by various Govt. departments, NCC, and NGOs.

### **National Cadet Corps (NCC)**

The NCC, with the motto Duty and Discipline, is a fair-tier administration and is considered to be one of the largest and the most disciplined youth organizations in the country. The college has a very strong NCC unit and it has been regularly winning awards and recognition at the State and regional level.

The Army wing of the college falls under the jurisdiction of 24th NAGA (INDED) COY and the Care Taker Officer (CTO) is Mr Sakhoveyi Lohe, Lect., Deptt. of Geography. The Air wing falls under the jurisdiction of No.1 (NL) AIR SQN, NCC (FIG) and the Associate NCC Officer is Mr N. Meren Ao, Lect., Deptt. of Chemistry. This is a good preparation for those who love discipline and are militarily inclined. Cadets may take the B Certificate Examination later on which helps one in getting into a military academy. Many of our alumni have been able to get into military service through the NCC.

## **EXTRA-CURRICULAR & EXTENTION ACTIVITIES** *(continued)*

### **National Service Scheme (NSS)**

The NSS with the motto “Not Me but You” helps to develop the personality of a student through community service. This programme was formally launched by the Ministry of Education in 1969 to inculcate a sense of duty among the students in nation building, particularly i rural areas. The NSS is now under the direct management of the Ministry of Youth Affairs, Govt. of India. Nagaland links with the centre through its State Liaison Officer (SLO), Deptt of Sports & Youth Resources, Govt. of Nagaland. Volunteers can earn an A or B Certificate in college which handy later on in getting into a university or a job. The College has more than 400 volunteers, and its adopted village is Tsiese Basa ( Northern Angami). The programme Officers (POs) are Mr. Dziesevituo Angami, Mr. Selie Puro and Dr. Seyiekhrielie Whiso.

### **Science Club, Photography Club, Nature Club and Red Ribbon Club.**

Students, on joining the college, may also register their names in any of these clubs.

### **WinFest**

The *Winter Festival* is an annual affair held in late November. *WinFest* is an extracurricular programme held to promote self-development and encourage maximum student participation without inter-group, -tribal rivalry. *WinFest* is an extravaganza of sports, rollicking music, literary competition, flower show, food and games, painting and photography competition culminating in the Parting Social and release of *Illume*. The Flower Show will soon be formally patronized and sponsored by the **Department of Horticulture**, Govt. of Nagaland.

## **EXTRA-CURRICULAR & EXTENTION ACTIVITIES** *(continued)*

### **Evangelical Union (EU)**

The EU, Kohima Science College, which has entered its 40<sup>th</sup> year this year, is one of the strongest EUs in the north-east. Once the new academic session begins a Hostel Penetration programme is conducted for the new students to apprise them of the various EU programmes. However, membership is strictly voluntary. EU is interdenominational and not a church. The EU is affiliated to the Union of Evangelical Students of India (**UESI**) which is affiliated to International Fellowship of Evangelical Students (**IFES**).

### **(Kohima) Science College Teachers' Association (SCTA)**

This Association looks after the welfare of the teachers. As provided in the constitution of All Nagaland Governement College Teachers' Association (ANGCTA), its President and the General Secretary are necessarily drawn from SCTA. The Association is also affiliated to All India Federation of Unuiversity and College Teachers Oganization (AIFUCTO).

### **Students Grievance Redressal Cell**

This Cell helps to support a student in difficulty through advice, counseling and any other help if necessary so that his/her academic activities are not hampered in any manner. Mr Vesa Hiese, Lecturer, Deptt. of Botany, is the Convenor. The members are:

## *The College Anthem*

*Science College, Kohima  
Thy name we adore, we do;  
To thee we come, all in unity  
Let us find the truth we seek.  
To the unknown as we go sailing,  
With our God as our Captain,  
**Omnia Vincit Labor**  
Let thy motto be our guide.*

*Composed by Mr Kiremwati Ao  
Former Principal of the College*
