

Registration

Registration fee details for delegates attending the seminar are given below:

Research Scholars	: Rs. 200/-
Faculty members	: Rs. 300/-

Mode of Payment:

Registration fee should be drawn as demand draft in favor of Convener, NSIRCS-2016, State Bank of India (SBI), Science College Branch (Code No:14265) or in cash on the spot.

Application in the enclosed format addressed to the Principal, Convener or Organising secretary of the Seminar may be sent by email/regular mail latest by **2nd September 2016**. However, the seat will be limited.

Travel Reimbursement

All selected paper presenters and the selected participants from outside the state will get reimbursement of travel to and from (Bus/Shared taxi/Train AC-III) by the shortest route on production of ticket (boarding & lodging may be considered on request).

Local hospitality during the seminar will be provided to all the participants.

The organizer may be contacted for making arrangements for accommodation at reasonable rates in advance.

Methodology

Talks and presentations to be followed by interaction among the participants

Organizing Committee

Patron :

Dr. I. Anungla Aier Principal KSCJ

Convener:

Mr. Shiv Kumar Mishra (HOD) Chemistry

Organizing Secretary:

Dr .T. Tiakaba Jamir

Committee Members:

Mr. N. Meren Ao
Dr. Krishna Kumar Tiwari
Dr. Vijay Kumar Choudhary
Dr.(Mrs) R.Vineetha Pillai
Mrs. Sangeeta Vizo
Mr. Kenneth Punyu
Mr. Rokovikho Hiesiele
Mrs. A.Chubarenla
Mrs. Vineinu Rhetso
Dr. Daniel Kibami
Mr. Savilie Yhor
Mrs. Neivotsonuo Kuotsu

INTERDISCIPLINARY RESEARCH IN CHEMICAL SCIENCES (NSIRCS-2016)

28th - 29th September 2016

Organized by

Department of Chemistry
Kohima Science College (Autonomous)
Jotsoma
Kohima Nagaland
NAAC accredited 'A' Grade

In collaboration
with
Directorate of Higher Education
Government of Nagaland
Kohima

Dear Madam/Sir,

The Department of Chemistry, Kohima Science College (Autonomous), Jotsoma Kohima Nagaland is organizing a two days UGC sponsored National level seminar on Interdisciplinary Research in Chemical Sciences (NSIRCS-2016), 28-29th September 2016 in collaboration with Directorate of Higher Education, Government of Nagaland. We wholeheartedly invite you to this seminar.

The Seminar is an endeavor to provide a platform for faculty, research scholars and students particularly to the state and the north eastern region to interact with some of the most prominent researchers of the country who are actively involved in interdisciplinary research such as synthetic organic chemistry, polymer chemistry, inorganic and bioinorganic chemistry, physical chemistry, geochemistry, biochemistry, plant chemistry, environmental chemistry, drug chemistry, food chemistry and its related area. This will keep them abreast of the recent advances in the basic and applied aspects of chemical sciences and also to generate new ideas and apply these ideas to their research works in this area.

As this seminar aims at highlighting the relevance of multidisciplinary approaches in chemical researches, we request you to kindly bring this to the notice of the faculty members, research scholars and post graduate students of your esteemed institution.

Shiv Kumar Mishra
(HOD) Convener
NSIRCS-2016

Dr.T.Tiakaba Jamir
Organizing Secretary
NSIRCS-2016

About the college

Kohima Science College (Autonomous), Jotsoma Kohima Nagaland was established in the year 1961 and was affiliated to GU, NEHU and then Nagaland University prior to the autonomous status. Ever since the college was established, the college and the department have strived to give quality education to the students. Presently, the chemistry department offers only UG course but after college being accredited 'A' grade by NAAC in 2012 and given autonomy by UGC in 2014, the department is planning to set up PG course and also Ph.D course in due course of time. The department and the College constantly keep abreast its vision, mission and goals in all its relationship with the society and the country at large.

Location :

The college campus is located at Jotsoma village which is in the Barail range at an altitude of 1671 meters. It is 8 kms away from the heart of Kohima town, 65 kms from the Dimapur airport, and 74 kms from the Dimapur railway station. The natural serenity of the campus and the perennial water bodies offer a calm effect which make the campus conducive for study.

Call for Paper Abstracts

Faculty, research scholars and students are invited to present their work on the mentioned topics. The interested participants are requested to submit their soft copies of abstracts (approx.350 words) in standard MS Word format by email to tia1717@yahoo.in, kscchem2015@yahoo.com on or before **13th August 2016**.
